Creativity, Problem-Solving, Communication, Teamwork, Adaptability

Experience

UX Designer — Accenture (Jan 2018 – Present)

- Lead the design of user interfaces for web and mobile applications, ensuring a consistent and intuitive user experience.
- Conduct user research and usability testing to gather insights and validate design decisions.
- Collaborate with product managers, developers, and other stakeholders to define, design, and ship new features.
- Create wireframes, prototypes, and high-fidelity mockups to effectively communicate design ideas.
- Mentor junior designers and contribute to the growth of the design team.

UX Designer — Publicis Sapient (Mar 2015 – Dec 2017)

- Designed and implemented user interfaces for various web and mobile projects.
- Conducted user research and usability testing to inform design decisions.
- Collaborated with cross-functional teams to define, design, and ship new features.
- Created wireframes, prototypes, and high-fidelity mockups using design tools such as Sketch and Adobe Creative Suite.
- Participated in design critiques and contributed to the improvement of design processes and standards.
